Periodical Articles for Current Awareness

October 2015

Compiled by Travis Ferrell, MLIS, Research Librarian
Typed by Kathleen Gildersleeve

Published monthly for The U.S. Army War College, *Periodical Articles for Current Awareness* lists citations for recent journal articles, grouped by subject.

Most articles are available full text in the Library's subscription databases, or on the Internet. When off-network, USAWC personnel should use their login and password for remote access. If no link was provided at the end of an entry, the print journal is available in the Library.

Due to licensing agreements, access to articles in our databases is limited to current USAWC faculty, staff, and students. For the Army community stationed elsewhere or deployed, many articles are online in AKO's "My Library" databases. Local libraries are another option.

Please email usarmy.carlisle.awc.mbx.libraryr@mail.mil or phone 717.245.3660 for additional information.
